Networking to better serve our community

Tulsa Interagency Council is a non profit organization dedicated to keeping abreast of the needs and available services in the Tulsa Metropolitan area and surrounding towns through networking with community service groups and providing relevant professional development opportunities for members of the Council.

History

In 2002, TIC was formed by a small group of professionals who wanted to bring together community service organizations to exchange ideas and information. Andrew Garrean, owner of Home Instead Senior Care, was elected as the first president.

On September 19, 2005, Tulsa Interagency Council was incorporated as a not for profit Oklahoma corporation.

Annual Programs

Scholarship Awards:

The membership has a commitment to fund at least one scholarship annually to an individual seeking advanced education and training in nursing or a related health care discipline. Since 2006, TIC has partnered with Tulsa Community College through the RN Nursing Program to match funds for scholarship awards.

Gifts to Charitable Organizations:

Monetary and/or gift-in kind donations are awarded to non profit groups deemed to have the greatest needs in the Tulsa community.

Tulsa Interagency Council
8086 South Yale Avenue, #188
Tulsa, OK 74136

Membership

Dues are \$60.00 annually for two representatives from each organization. This fee includes monthly luncheon meetings, featuring speakers from the community as well as member presentations and a membership directory. Each additional representative is \$15.00 per year.

For additional information and member updates:
Treasurer@TulsaInteragencyCouncil.org

Meetings

TIC meets the first Wednesday of each month from 11:45 am to 1:00 pm at various community locations.

The Secretary emails luncheon meeting details to the membership and prospective members in advance with an RSVP deadline. The charge for non members is \$10.00 per person.

Reservations are required:
Secretary@TulsaInteragencyCouncil.org

Get the most out of your TIC membership. Consider hosting a monthly meeting (location and/or lunch) and have the opportunity to feature the unique services of your company. When multiple hosts are involved and an outside speaker is scheduled, each host has ten minutes to present up coming events or new developments in their organization.

We also welcome your active participation in special projects as well as expressing your thoughts regarding speakers, programs and sharing ideas that you feel would be beneficial to you and the membership as a whole.

Speak up and be heard!
